JU-SI ADVENTURES

Get Lost in the Great Outdoors and Find Yourself

The Great Trail follows the Confederation Trail in PEI. The Confederation Trail was developed on abandoned railway beds. It was completed in August 2000. In the summer season, activity on the trail is limited to walking, hiking, running, cycling, and is accessible to wheelchairs. In the snow months it is turned over exclusively to snowmobile use. It runs tip-to-tip from Tignish to Elmira. Including branch lines there are 435 kilometres of excellent rolled stone and dust surface. Some areas are elevated and natural water access can be challenging.
